Coming off Anti Clockwise, head toward M25 junction 9 clockwise on-slip, down the A243. (Signposted toward Heathrow) From this junction take A245 toward Leatherhead. (third junction from A243 or second junction if you come off from M25 Clockwise off slip) Come down to roundabout and take the first turning along Kingston Road. This should be signposted toward town centre and Station. At junction with one-way system, head up the hill staying in the right hand lane. At the top of the hill follow it round to the right and then get in left hand lane. With railway bridge in front of you, bear left. Do not go under bridge. Travel along here going under a rail bridge, through pedestrian crossing and to a mini roundabout. Turn right at roundabout next to Chinese restaurant China Red. Go straight over at next mini roundabout. You will then approach two mini roundabouts in close succession. Straight over the first and then left at the second into School Lane. As you approach Fetcham there are two speed bumps and you then go under a railway bridge. At the mini roundabout, go straight over past the parade of shops. At the next mini roundabout turn right into School Lane. Sensory Services by Sight for Surrey is on the left, most of the way up School Lane opposite the School.
